

MEMORANDUM FOR: D/ERS

Jim

Here is the DDA's response to the DDCI's request for a report on the IG EOD survey.

As you know, OP also was asked to comment on the survey. ?

Should the DDA's memo go through as is or will OP also comment?

3. With regard to Recommendation 7, effective 14 April 1983, the Office of Security implemented a policy which extends the requirement to update an applicant's Personal History Statement from six months to one year.

4. Recommendation 6a relates to providing PATB composite numerical test scores and applicant writing samples to hiring components prior to review by an assessment psychologist in the Psychological Services Division (PSD). We have recently discussed this recommendation with the Inspector General and we continue to study the implications involved in the compliance with this recommendation. We will provide a subsequent status report in the near future.
